MARINE CHEMICALS

World Clean International is a Marine Chemical Manufacturer company operating around main ports of America, Europe & Asia.

WCI has stock points around Panama, USA, Mexico, Jamaica, Trinidad & Tobago, Colombia, Peru, Ecuador, Chile, Argentina, Brazil, Spain, France, Portugal, Holland, Italy, Greece, Turkey, India, Dubai, China and Singapore.

Our **WCI Chemicals** are IMO approved and eco-friendly.

All our chemicals have **MSDS** and technical information for safety on board.

BRAND

Under the brand WCI we have a wide range of products specialists for cleaning and maintenance of:

CARGO TANKS & CARGO HOLDS
- Sea Cleaner WCI
- Alkaline High WCI
- Rust Remover WCI

BOILERS & COOLING SYSTEMS
- Boiler Water Treat WCI
- Cooling Water Treat WCI

DECK & ENGINE ROOM
- Degreaser HD WCI
- Descaling Liquid WCI

CABIN & GALLEY
- Galley Soap WCI
- Wax Polish WCI

CHEMICALS FOR CLEANING

Alkaline High WCI: Is a strong alkaline degreaser and powerful detergent that contains special sequestrants for removing of greases, grit, grains and any organic residue.

Tank Cleaner WCI: It is specially formulated for cleaning of tanks or for multipurpose degreasing. It contains emulsifying properties and is recommended to clean and degrease after mineral oils or petroleum.

Sea Cleaner WCI: It's a powerful cleaner and degreaser formulated for deep cleaning of oil bunker tanks, mineral oil tanks, decks, engine room and bilge, leaving them free of waste.

Bunker Cleaner WCI: This product is formulated for hydrocarbon and bilge degreasing. It has solvents with quick penetration on metal surfaces and has numerous emulsifying properties.

Break Cleaner Plus WCI: Is used for general cleaning of cargo tanks, machinery spaces, bulkheads, decks, bottom plates and any oil grease soiled areas.

Cement Remover WCI: It is a strong acid-based deoxidizer inorganic corrosion inhibitors and penetrating agents, applied to remove cement and concrete of hard surfaces.

Lime Remover WCI: It is a highly concentrated cleaner for the removal of limescale and calcium deposits from metal surfaces.

Pet Coke Remover WCI: It is a heavy duty detergent specially formulated to remove difficult pet coke from cargo tanks and cargo holds.

Cargo Hold Coating WCI: Is formulated to protect metal surfaces with special inert additive compounds that leave a thin, adherent protective, elastic and resistant film that provides a barrier between the cargo and the metal or painted surfaces.

Rust Remover WCI: This product is specially formulated for deep and hard rusts on metal surfaces, without making any harm to the parent metal.

Typol Liquid Soap WCI: Multi-purpose highly concentrated detergent in liquid form mixed for deck, kitchen, laundry, among others.
